

## MEMORANDUM

DATE: 2-22-01 (Thursday)  
TO: Pastor Doug Bird / Abundant Life Fellowship  
FROM: Stephen F. Williams / Assistant Principal  
RE: Lord's Gym Youth Outreach Program

---

Dear Pastor Bird:

On behalf of our students and our staff, I would like to thank you very much for all that you and the Lord's Gym Youth Outreach Program have done to support our students towards reaching their social, physical, and emotional needs.

We truly feel "blessed" to be included in the regular use of Lord's Gym for our Weight Training Class (offered each day as part of the regular school schedule) and for our basketball practices (as part of the Sacramento Athletic Conference). This "partnership" with you and your staff has also allowed for our students to receive tutoring and mentoring through the educational centers at the Lord's Gym and has (without a doubt) made Roseville a better community!

We can't thank you enough Pastor Bird for including us in your "vision" and for making the youth of Roseville a "priority" of the Abundant Life Fellowship. All of us (students and staff alike) are very thankful for your "positive" message and for reaching out to all of these young people. The words of encouragement from you, Bill, and your support staff mean so much to our students that we have come to think of Lord's Gym as part of our extended family!

Thank you all for caring. Thank you for reaching out and being there for the young people living here in Roseville.

Sincerely,

Stephen F. Williams  
Assistant Principal
