Radical Reality Donnie Moore

- All-American Football Player
- Chaplain of the Oakland A's
- National Motivational Speaker

I've had the privilege of working with young people for over 20 years and have been able to speak to more than 3 million teenagers in public Junior and Senior High Schools. I've had the opportunity to observe many different methods for teaching young people. I can say without exception that the Lord's Gym is one of the most powerful tools used by God to reach youth at risk.

The Lord's Gym gets my highest recommendation.
