

Jim Frazier
Anchor

Hello!

It is with great pleasure I give my full endorsement to the wonderful work being done by Pastor Doug Bird and the good people of the Lord's Gym! As a reporter/anchor in Sacramento back in 1995, I had the opportunity to tell the story of their great vision and success in working with the area youth. Since that time, they have continued to offer a unique and fantastic service to youth who might otherwise find trouble. Their intentions are among the finest I've seen, so much so, I've become a member myself, and my own children love the atmosphere the Lord's Gym offers. It is my belief that every city needs a place where kids can follow the Lord, instead of gangs, violence, drugs or all. Please consider their cause, they need you help! They already have mine!

Sincerely,

Jim Frazier
