Pastor Bird
Abundant Life Fellowship Church
Roseville, CA

Dear Pastor Bird,

We would like to take this opportunity to thank you and your staff for the help you have provided with our youth and family programs. For the past year, we have been working in partnership with Abundant Life Fellowship Church. Your organization has been critical in our efforts to assist families struggling with their teenaged children. We are especially thankful for the assistance provided by Juaquin Fabela and Lyndsey Berboomen

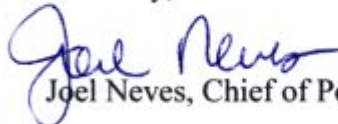

You have made your facilities available for teaching The Parent Project classes on several occasions at no cost. Further, Juaquin and Lyndsey have been working as mentors with our diversion program kids through Lord's Gym. Their role is vital as they role models for the kids, where often there is not one at home.

We have heard from the families regarding their successes and the statistics reflect this also. We find that parents who complete The Parent Project are successful in handling family problems within the family. Repeat calls to the police to handle these problems are reduced by more than SEVENTY PERCENT. We have found this also means grades are improved, and drug use ceases.

Our partnership has not only provided significant assistance to Roseville area families, it has changed lives. Juaquin Fabela and Lyndsey Berboomen have given of their personal time and financial resources. I am sure you are as proud of them, as we are to be associated with them.

We look forward to our continued association with your outstanding staff and organization. Again, thank you.

Sincerely,

Joel Neves, Chief of Police
