Pastor Doug Bird
Abundant Life Fellowship
706 Atlantic Street
Roseville, CA 95678

Dear Pastor Bird:

I would like to express my sincere appreciation for the free programs Abundant Life Fellowship and Lord's Gym sponsor for youth in the Roseville community.

I remember discovering a disturbing trend shortly after the Roseville Police Department formed the Neighborhood Policing Unit in 1995. We found more and more youth were slipping through the cracks and getting into trouble in school, throughout the community, and with law enforcement.

We met with concerned members from Abundant Life Fellowship and discussed how we could create a working partnership to provide activities that would help these kids improve their lives. We had many successes during this time and we cemented a long-lasting working relationship with them. Today, Lord's Gym continues to support these efforts and currently sponsors many outreach programs within our community.

The commitment, dedication and results achieved by Abundant Life Fellowship and Lord's Gym are making a difference in young peoples' lives—and they are making a difference in our community. Their investment in our youth will pay big dividends not only now but far into the future.

Sincerely,

F.C. "Rocky" Rockholm
Mayor Pro Tem, City of Roseville
