TO WHOM IT MAY CONCERN

I have been associated with Lords Gym and Ministry since December 1999. I administer the Juvenile Work Project and Juvenile Community Service for the Placer County Probation Department. The folks at Lords Gym have been extremely helpful in providing a positive environment for troubled and at risk youth to perform community service within Placer County. I continue to be impressed by the genuine care and concern the staff exhibits towards young people. I feel Lords Gym would be a positive influence to any community.

Respectfully,
