Philippians 1:17

Fellow Christian Athlete:

Grace, mercy and peace be multiplied unto you from God our Father, and from the Lord Jesus Christ.

We have been richly blessed through our accomplishments in professional athletics. So as we enjoy the fruits of our hard work and achievements, we need to remember the words of Jesus in Luke 12:48, ***“To whom much is given, much is required.”*** Thus with that in mind, I think Christian Athletes need to be attentive to the opportunities celebrity status affords. Our notoriety provides us great visibility! And with that visibility, a powerful voice to address, impact, and influence key issues in our nation.

Perhaps the most significant issue of our day is that of our youth. ***“Especially those labeled as being at risk.”*** I have a vision to reach the youth of America. A vision that is fueled by passion and commitment to help them set goals for today, that will ensure hope for tomorrow. I believe faith based organizations are the answer to reach and bring much needed change to our troubled youth. The Lord’s Gym in Roseville, California is one faith based organization that is reaching at risk youth and making a difference. I am proud to say that I am one of many Professional Christian Athletes who has signed memorabilia on display in the Lord’s Gym. We must remember that we are role models to many of our nation’s youth, signed memorabilia from Christian athletes sends a strong message that Christianity is for champions.

If we want to see America changed we have to reach the youth. I believe the Lord’s Gym is a powerful tool to accomplish this. Thank you for taking the time to read my letter.

In The Light Of The Cross,
